

## MARK 11:24

Therefore I tell you ,whatever you ask in prayer ,believe that you have received it, and it will be yours.

### STRONG PRAYER

God , I need you. Every day ,every moment, every second, as long as I am breathing , I need you. I cannot face this world alone. O God , you are the only reason I have made it this far!

I pray that you'll never let go of my hand until last breath I'll breath.

# PRAYER POEM

You shall not be afraid of the terror by  
night

Nor the arrow that flies by day

Your word God teaches me

Oh come, let us sing in a poetic  
Shout joyfully to the rock of our  
salvation

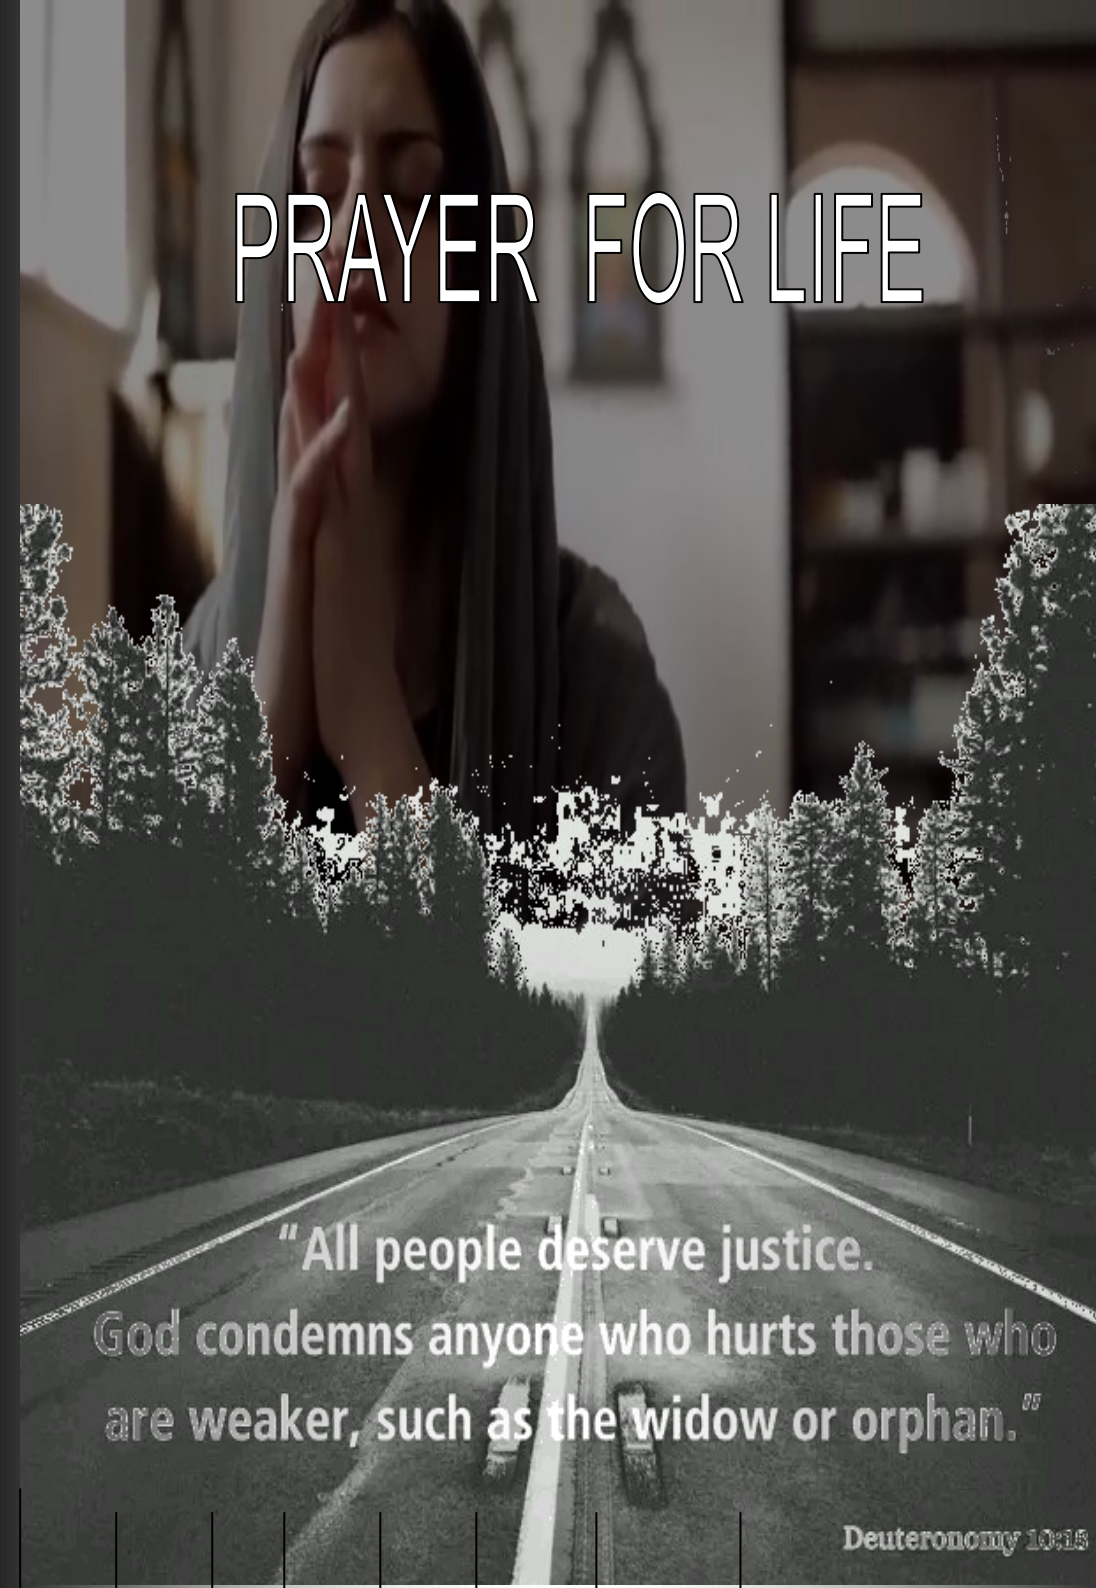

Let all who serve carved images be put  
on shame as they boast idols

Hear my prayer

Let my cry of joy be heard

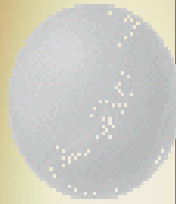

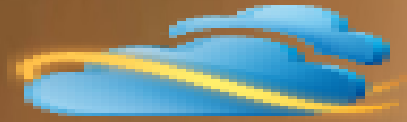

Oh lord all the thanks be with you  
With your daily bread I can't wither  
like grass

# PRAYER FOR LIFE

God condemns anyone who hurts those who  
are weaker, such as the widow or orphan."

# PRAYER POEM

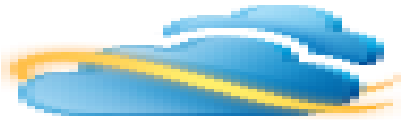

All what I can do rely on you , lord  
Oh! God you do wonders in my life  
For no wonder in this social life I'm  
still your child

So much temptation in life  
Still learn what you teach and stand  
still

For sure you said  
“whoever calls on the name of the  
lord shall be saved”  
Every tree is known by its own fruit  
Put in me  
The loud voice to impact those who  
are weaker in faith

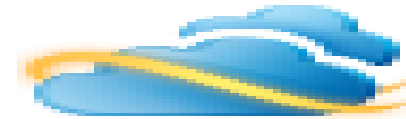

# PRAYER POEM

For sure it is also written for this  
 You only live once on earth we can agree  
 Not as all believe so we have thrice optional  
 life  
 Who can agree this statement ?? For us its no  
 It is my prayer in heart  
 That who so ever feels so ,let shine of you appear on  
 them  
 You are only available response to them  
 Just like Jews they waited from rabbi in synagogue  
 Show the world your truth  
 Review to the world your word hidden in holly  
 book  
 Yes your holly book covers all corners of personal  
 life  
 Touch the heart of world  
 Through your selected readers  
 Show and direct them to do it

Despite tares planted on my way  
I should fix my gaze at you  
Steadfast loyalty to you

Sure outside my house should be with security  
An arc angel  
That one on my way directing protection
